

## II.2.14) Additional information for 'Accelerated Construction Delivery Panel' PIN Notice continued:

Mi Concepts Ltd. (The 'Buyer') expressly reserves the right (i) not to award any contract as a result of the procurement process commenced by publication of this notice; and (ii) to make whatever changes it may see fit to the content and structure of the tendering competition; and in no circumstances will the Buyer be liable for any costs incurred by the candidates. If the Buyer decides to enter into a Framework Agreement with the successful supplier, this does not mean that there is any guarantee of subsequent contracts being awarded. Any expenditure, work or effort undertaken prior to contract award is accordingly a matter solely for the commercial judgement of potential suppliers. Any orders placed under this Framework Agreement will form a separate contract under the scope of this Framework.

Mini competitions for services will be conducted through an online procurement portal. 'Tasks' will be raised and made available for potential suppliers to bid for online. Suppliers will be required to register online and take part in the online mini competitions in order to win call off contracts for the tendered services.

The duration referenced in Section II.2.7 is for the placing of orders. Orders issued within that time may reasonably exceed the contract duration if they are within normal practice of the contract orders.

The value provided in Section II.1.4 is only an estimate. We cannot guarantee to suppliers any business through this Framework Agreement.

The Buyer wishes to establish a Framework Agreement for use by the following UK public sector bodies (and any future successors to these organisations):
